To Whom It May Concern:

I would like to recommend Mr. Jason Lavender as an agent for Pre-Paid Legal or any other plans his agency might offer. Mr. Lavender has enrolled the employees of Hutto I.S.D. in Pre-Paid Legal Services over the last couple of months and his performance has been outstanding. He presents in a manner that is easily understood and does not misrepresent his product. If you are planning to offer this as an employee benefit, I certainly would use Mr. Lavender and his staff.

Sincerely,

Bert Johnson  
Business Manager
