To Whom It May Concern:

Re: Texas Benefits Group

Our school district implemented two new benefits this spring. The benefits committee felt there was a need for the pre-paid legal and the identity theft services. We had employees who were personally affected and were in need of the services they could offer. I personally felt a need to offer these benefits to our employees as the issue of the importance of having a Living Will and the Identity Theft epidemic has become more prevalent in recent times.

We have been very pleased with the way Texas Benefits Group handled the enrollment and the follow up. I would highly recommend them for any employee who is in need of their services.

If you have any questions, you may call me at 254-299-6712.
